DETAILED ACTION

Election/Restrictions

1. This application is in condition for allowance except for the presence of claims 7-10 to a claimed invention which was non-elected without traverse. Accordingly, claims 7-10 have been cancelled.

Allowable Subject Matter

2. Claims 1-6 are allowed.
3. The following is an examiner's statement of reasons for allowance: The prior art of record fails to teach or fairly suggest a rapid thermal anneal system with reflective index monitor, comprising: a chamber wall defining an interior; a reflector plate provided in said chamber interior; a plurality of lamps provided in said chamber interior above said reflector plate; at least one monitor opening provided in said chamber wall; **a reflective index monitor provided in said at least one monitor opening, respectively, for monitoring a reflective index of said reflector plate**; a process controller operably connected to said reflective index monitor and said plurality of lamps; and **wherein said reflective index monitor sends a signal to said process controller and said process controller terminates operation of said plurality of lamps when said reflective index of said reflector plate deviates from a reflective index of a control value**. Nor does any other piece of prior art provide motivation for properly combining the missing features to produce the claimed invention.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
